

Start of Year School Right Brain Team Meeting Agenda Sample

- Welcome and Introductions
- Arts Integration Coach & Phases of Implementation
 - Program Phases
 - Role of School Team
- School Priorities and goals for the year
- Any reflections from last year
 - Review end-of-year team meeting notes if available
- What excites you about Right Brain this year?
- Review Big Idea Sheet
- Does it make more sense to have a whole school experience or grade band experiences?
- Focus of this year's residency experience
 - Do you want to connect the line of inquiry of your residency to a core subject matter or to an essential question about learning?
 - Essential Question
 - What is the Essential Question guiding the residency?
 - How do you hope to see this knowledge transfer to the students/student work in the classroom?
 - How will we document students' experiences?
 - How do these ideas transfer to theater, music, 2D visual art, 3D visual art, technology, etc?
 - What benefits will students get from making connections using these different art mediums?
 - Make a list of 2-5 artists you would like to contact to schedule a residency. Who will complete the Residency Request form(s)?
 - Core Subject Matter
 - What subject would you like to connect this residency to?
 - Does this connect to an anchor standard, a new curriculum or another school-wide initiative you are working on?
 - How will we document students' experiences?
 - How do these ideas transfer to theater, music, movement, 2D visual art, 3D visual art, technology, etc?
 - What benefits will students get from making connections using these different art mediums?
 - Make a list of 2-5 artists you would like to contact to schedule a residency. Who will complete the Residency Request form(s)?
